## Business & IT Consulting Experts

**Array Consultancy Services** was founded in the year 2004. Since then we have been helping our clients through our Business and IT consulting practice. We believe in building long lasting relations with our client based on trust. Array has a highly efficient and wide spread network of experts around the globe which enables us to be on the competitive edge of globalization. Our back office and research center operates out of India. We are proud and honored to have a highly intellectual and knowledgeable team of associates dedicated to provide innovative solution to clients' dynamic business problems.

**Our Vision** - To be the trusted business partner to help our clients in achieving their business goals

**Our Mission** - To cater to a wide range of business and practice data, knowledge and research driven customized business consulting
